The Word of God — Forever!

Bill Brinkworth

“For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away: But the word of the Lord endureth for ever. And this is the word which by the gospel is preached unto you.”

I Peter 1:24-25

Kings and presidents come and go. Celebrities also rise and fall. People are here on Earth for a relatively short time, and then they are gone. One thing that will never vanish, and one thing that will never be just a “fad,” is the Word of God.

One could knock on most doors in the area and not find many households that have a book that was written over 100 years ago. Those houses would

also hold even fewer copies of books that were over 500 years old. However, the majority of those houses have the Bible, which has portions that are over 3,500 years old. This fact validates the prophecy that God’s Word will always be with us.

Study!

Bill Brinkworth

One of the most important responsibilities all Christians have is to study the Scriptures for themselves. Church is important, and one can learn quite a lot from the man of God in the pulpit, but it is up to us to study and learn what the Word of God says. *“Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.”*

II Tim. 2:15

II Timothy 2:15 teaches us five things about studying the Word of God:

1. We get God’s approval when

The Word of God...

Continued from Page 1

Men, sometimes with Satan's influence, have tried to make God's promise of preserving His Word for us not true. However, their attempts have failed. It has been burned, ripped up, and hidden, but the Bible remains. People have been killed for even reading it. Men have tried changing its words with over 400 modern translations and diluting what God wants every man, woman, and child to know, but the truths from the Word of God are still available.

This year, the most accurate English translation of the Bible is celebrating its 414th birthday. The King James Version is the translation from the preserved Hebrew and Greek manuscripts. The Word of God is still with us! God cannot lie, and He is keeping His promise. His Word will endure forever!

Study!

Continued from Page 1

we deem it important enough to study what God has recorded for us in the Bible's preserved words.

2. Notice that the word God used is "study" and not "read." We are to delve into it like we want to pass life's tests and know God's mind. It is the only source that will help us get through life's difficulties and learn more about the Father. Reading is a shallower, less urgent, and less purposeful ap-

proach to a subject. Studying takes time, rereading, comparing Scripture with Scripture, and a lot of prayer. It takes "work," commitment, and a great desire to get all one can out of God's Word. That is how God expects every Christian to approach His Truth. Be a "workman"!

3. When we study the Bible, we will never be embarrassed by believing the wrong things. There are so many who have never read the Word of God for themselves. All they know about God's Word is what others have taught them. If the teachers are wrong, then the students may be also. If more would delve into the Word of God with an anxious desire to find what God has in store for them, learn His teachings, and practice them, most liberal, unbiblical churches would be out of business in a month! Unscriptural denominations would be history! The most significant revival ever would sweep this planet!

4. In studying the Word of God, one must separate, or "divide," some teachings. Some practices were for past dispensations. The priesthood, sacrifices, and signs from God were prac-

"Read my Bible;
pray every day,
and I will grow, grow,
grow."
— From a Child's Song

tices of times past. A proper study of God's Word will expose those facts, and one will not include them in their beliefs for this church age.

5. God's Word is the "word of truth." It is not just a collection of factual statements; it is the only truth. It is the only source of truth on Earth, and God has preserved it for all to read!

The reverse teaching of II Timothy 2:15 is that if one does not study God's truth, he is not approved of God! Gulp! That is hard to swallow. Looking at it that way should make learning what the Bible teaches a higher priority.

Is knowing what God says important to you? Is it important enough for you to invest some of your time in understanding what God wants you to know?

Effect of Reading the Bible

Oliver Green

A young believer was discouraged in his attempts to read the Bible. He said, "It's no use. No matter how much I read, I always forget what I have just read."

A wise pastor replied, "Take heart. When you pour water over a sieve, no matter how much you pour, you don't collect much. But at least you end up with a clean sieve."

Some seem to expect the Word of God to hit them like a

jolt of adrenaline each time they read or study it. Although the "jolt" may hit us periodically, the benefits of the Word of God act more like vitamins.

People who regularly take vitamins do so because of their term benefits, not because every time they swallow one of the pills, they feel new strength surging through their bodies. They have developed a habit of consistently taking supplements because they have been told that, in the long haul, vitamin supplements are going to have a beneficial effect on their physical health, resistance to disease, and general well-being.

The same is true of reading the Bible. At times, it will have

a sudden and intense impact on us. However, the real value lies in the cumulative effects that long-term exposure to God's Word will bring to our lives.

"The Word of God is an armory of heavenly weapons, a laboratory of infallible medicines, a mine of exhaustless wealth. It is a guidebook for every road, a chart for every sea, a medicine for every malady, a balm for every wound."

— Guthrie
